One great journey leads to another

MAKE A PLEDGE FOR A BRIGHTER FUTURE

PRESHIL FOUNDATION
THE MARGARET LYTTLE MEMORIAL SCHOOL
A SPECIAL PLACE

Preshil isn’t just any school, it’s a place of national significance. Founded in 1931 by Margaret J Lyttle, Preshil was a pioneer of progressive education in Australia. Today, it continues to be a special place where children are empowered to explore their talents and discover their own potential. Courage, compassion, curiosity and creativity remain core to the Preshil philosophy.

In an age in which education is increasingly commodified and standardised, Preshil is more important than ever. Preshil’s educational philosophy is all about learning and discovery, not test results and competition between children. Preshil graduates enter the wider world aware and engaged, with the confidence to be themselves, follow their own path in life and uncover their full potential. Our alumni are prominent in many fields from music to law, art, sport and business, and include a number of Australia’s most influential thought leaders.

A POWERFUL GIFT

A bequest to Preshil is a powerful gift. With your support, many more young people will enjoy a progressive education and leave school ready to achieve and contribute as engaged members of our society. Having provided appropriately for your family and friends, please consider making Preshil a beneficiary in your Will.
Every great journey starts with a single step.

Contact us

For more information on our bequest program, please contact Bronte or Jenny on 9817 6135 or foundation@preshil.vic.edu.au. We would also be delighted to know if you have already provided for Preshil in your Will. This will ensure we can acknowledge your generosity and keep you updated on progress at the school. Of course, your personal details will be treated in strictest confidence. Your solicitor can also advise you further with a specific bequest clause if necessary.

Preshil, The Margaret Lyttle Memorial School
395 Barkers Road, Kew, Victoria Australia 3101
The unhindered development of our children, academically, socially and emotionally is the Preshil mission. It’s also our greatest achievement. A child’s potential is theirs to discover. Preshil will help them find it.
